¹ Due to changes to the project categories required by the Court which occurred after the filing of the monthly fee application, but prior to the filing of this interim fee application, the number of hours and fees in certain categories may have been moved since the filing of the monthly fee applications. Specifically, at the beginning of this application period, Buchanan Ingersoll did not maintain a separate category for its fee applications, hearings, the ZAI science trial, objections to asbestos claims, or the fraudulent transfer action. Because Warren Smith, the Court appointed fee auditor, requested a chart detailing time entries in the new categories, the amounts of time and fees have been retroactively moved to the appropriate category.
